PTA President's Message

Dear Parents and Guardians,

We are excited for the events of the next few weeks as we welcome Spring! This week is Teacher/Staff appreciation week. Please take some time to reach out and let our teachers and staff know how valued and appreciated they are. We are so grateful for their efforts in educating our children!

As we look to the coming weeks, we have some exciting events planned. On May 19th, we will have a Family STEAM Picnic. We'll have activities for families to participate in, and you can either bring a picnic for your family or enjoy one of the food trucks at the event. We will also be naming our outdoor classroom space and honoring one of the individuals whose vision and hard work created this amazing space for our school!

The end of this school year is quickly approaching, and we are looking for individuals who would like to be involved in PTA next year. We need to fill several volunteer positions. Volunteering for PTA is a wonderful way to make new friends and serve our community. We invite you to fill out a quick volunteering survey to help us know how you would like to be involved. <https://forms.gle/z6RRCF5RArixe727>

Toward the end of April, we will hold our PTA Executive Board Election. Nominees were posted earlier this month. To vote in this election, you must be a member of PTA. It's not too late to join for this year, and we encourage you to take a moment to do so at <https://riverton.memberhub.com/store>

Thank you for all of your support this year. We appreciate you!

Katie Fuller, PTA President

Principal's Message

April 1, 2022

Dear Parents,

We are actively engaged in preparations for another great year (2022-23) at Riverton Elementary.

Each school year, the Riverton Elementary School Community Council (SCC) approves the expenditure of LAND trust funds for the following year. Our focus is to support growth in literacy (K-6), Language Arts, Math, and Science. We will continue this focus next year. On March 23, 2022, the 2022-23 LAND trust plan was approved by the SCC.

This plan includes the expenditure of \$81,677.00 of funding for next year and an estimated carry over of \$15,000.00 from the current school year—totalling \$96,677.00.

These expenditures support two goals:

Goal 1: Increase the percentage of students making typical or better progress in reading by 5% from the end of year 2021-22 to end of year 2022-23 as measured by Acadience.

Goal 2: Increase the percentage of students performing at or above proficiency by 3% in Language Arts, Math, and Science as measured by RISE in grades 4-6 and Acadience in grades K-3.

The funding will be spent in the following areas:

Salaries & Benefits	\$48,536.68
Substitutes	\$5,678.21
Registration/Inservice	\$10,000.00
Technology & Hardware	\$32,858.47

Thank you for your ongoing support of Riverton Elementary,

Respectfully,

Mr. Pullan
