

Approved 4/25/22

## **Riverton Elementary School Community Council Minutes 3/23/22**

**Attendance:** Cyndi Nordfelt, Jodi Jensen, Cami Reynolds, Holly Heyborne, Joel Pullan, Aubri Moench, Amber Stroman, Marcia Newbold, and Kayci Richins

**Approve Minutes** of the January 19, 2022 - SCC Meeting.

1. Motion: Jodi Jensen
2. 2nd: Amber Stroman
3. VOTE: 100% - YES 0% - NO

**LANDtrust** – 10% can roll over. We are now taking the aides from this account. Refer to the outline that was given. Expectations for kids and teachers ... working on the plan. “Wellness” aide – as part of this.

Rolling over \$35,000 over to next year. Counselor, aide, half time teacher for ESL. 2020-21 – 46.8 % to 51.73%. 2021-22 – not available but end of year was 63.7%.

This year, 78.81% of 6<sup>th</sup> graders are doing better! Credit to “walk to read” program. Lexia – when we compare last year to this year, we have far more kids performing better. It’s good to see progress!

Goal 2 – it was not approved from the State ... so it was deleted. We didn’t use any fund for this.

2022-23 year -

Goal – 1 (6 items) (see the handout!)

Raise it 5% for all kids ... We’ll do:

Hire 4 aides for W to R, 2 rotation aides to support PLC, ongoing activities/prof. dev. for teachers.

Goal -2 (see handout)

RISE – 4-6<sup>th</sup> grade ... provide STEM opportunities, replace chrome books (this is a big one for us – need to replace 500!), build STEM library. We have authorization to run them one more year so we can spread out the cost. (\$280/chrome book – use for 6-7 years)

Budget Proposal ... See handout for the breakdown.

Voting on proposed budget ... ALL in favor.

Approved 4/25/22

1. Approve LAND Trust Plan - voting done electronically
2. VOTE: 100% YES 0-NO

After, we talked about a few changes for next year ...

New Kindergarten teacher - hired

Need still a 6<sup>th</sup> grade Alps teacher

5/6 teacher – hired

5<sup>th</sup> grade Alps teacher, Mrs. Thomson, moving to 4<sup>th</sup> Alps

4<sup>th</sup> grade Alps teacher, Mrs. Kilcrease moving to reg. ed. 4<sup>th</sup>

STEM learning lab ... in place of the computer lab because those computers are old.  
Instead of spending \$ on replacing them, it will become a STEM lab.

Approved: April 25, 2022 via email solicitation.
