PTA President's Message

Hello Parents and Guardians!

We are quickly approaching the end of this school year! I would like to thank you for your support and participation in PTA events this year. We have had a successful year thanks to you and your students! We are already looking forward to the next school year and the challenges and growth we will experience! It has been my pleasure to serve as PTA President over the last two years and to work with and get to know many members of our school community! I have loved developing friendships and working relationships with this community and am grateful for the MANY volunteers who have made the efforts of our PTA a success. Our PTA Leadership election was successful, and we have a new incoming board who I am sure will do great things next year. I encourage you to get involved in any way you are able. The PTA always needs volunteers, and although we have elected our executive board, we still need many more volunteers to make next year a success for our students and our school.

If you would like to learn more about volunteer opportunities, I would be happy to talk with you anytime. You can call or text me at 801-930-0434.

Over the next few weeks, we have some really fun things happening. On Saturday May 7th, we will have an Outdoor Classroom Service Project. You are invited to join us at 8 am as we clean up the space to prepare for its 25th birthday celebration! On May 19th, that birthday celebration will be part of our Spring Family STEAM Picnic event. This event will run from 6:00-7:30. We invite you to bring the whole family and enjoy an evening of fun. We will have food trucks where you can purchase a meal, or you can bring a picnic from home. (The trucks will be Strippin' Dippin' Chicken, Pizza Cone Zone, Churrology, and Kona Ice) There will also be fun STEAM Activities for the whole family to enjoy. We hope to see you there!

On the last day of school, we will have Field Day. Please watch your email and our social media accounts for information about volunteering to help with this fun event.

Thank you,

Katie Fuller, PTA President 2020-2022

Kindergarten Registration is ongoing for next year. For questions on where to register visit the school website or visit planning.jordandistrict.org/enrollment.

Principal's Message

May 2, 2022

Dear Parents,

I would like to use this opportunity to express gratitude to all those who worked to make this year a success—Parents, PTA & School Community Council and Teachers & Staff. Honestly, it is difficult to give adequate praise for the efforts, time, and commitment of all stakeholders. I will do my best to globally recognize all who made a difference. If you are not mentioned specifically, know we are grateful!

Parents, PTA & School Community Council (SCC)

We enjoyed having parent volunteers in our building this year! I've enjoyed getting to know you and observing your dedication to students' success at Riverton Elementary.

Our PTA and School Community Council worked arduously this year to create opportunities for both academic and extracurricular activities at Riverton Elementary. Your donations through the Fun Run supported Field Trips—just over \$12.00 per student. These activities supported grade-level curriculum. We are grateful students had the opportunities to experience hands-on/real life applications relating to what they are learning. The upcoming STEAM night is another great example.

Our SCC worked to identify safe walking routes and potential issues on those routes. They also reviewed academic data, school needs and approved future expenditure of funding to support students' academic needs at Riverton.

Teachers & Staff

Our teachers and staff worked every day to create engaging learning environments for every student. Our custodial staff maintained a clean and inviting environment for students—this is a difficult task in a nearly 60,000 square foot building with 650+ students each day. Our nutrition services personnel provided breakfast and lunch daily for all students.

Together, community and school personnel worked together for children. Each is a hero! Thank you!

We look forward to next year as we continue to build a learning community where children thrive.

Respectfully,

Mr. Pullan
