24th-26th No School
Thanksgiving Break!

PTA President's Message

Hello Riverton Elementary Families!

First and foremost, we would like to thank you for your incredible support this school year. We have increased our PTA membership this year from about 15% to about 23%! That's incredible! It's not too late to join PTA, and we would still love to have your voice and vote.

We are amazed by the support you gave our PTA fundraiser and are excited about the great things we will be able to do for our school. Our fundraiser earned \$31,379.06. That is a school record! Over the next few months, we will be looking at how that money will support our school and students and would love your input! After all, we don't exist to fundraise- we fundraise to exist! Your contributions are what make our programs possible!

In addition to financial contributions, we want to thank the many volunteers who have helped us with our Fun Run as well as our other programs this year. We rely entirely on volunteers for our programs and giving even one hour of your time is a great service to our school! We are always looking for volunteers, so if you're interested in helping out- it's never too late! We would love to work with you!

We are beginning the process of looking for PTA Leaders for next school year. In order to vote in a PTA election or submit your name for nomination, you must be a PTA member. We are seeking 4 individuals to serve on our Nominating committee. These people must be PTA members and will NOT be eligible to be elected to the executive board. If you are interested in helping us find great leaders, please let us know! Anyone can nominate someone they think will be a good leader!

We have so many exciting things coming up and hope that you'll be able to join us in supporting our school, students, and teachers in the coming months. Thank you again for all you've done so far this year!

Katie Fuller,
PTA President 21-22

Principal's Message

November 1, 2021

Dear Parents,

We are thrilled to have started another great year. While we still endure some of the same challenges continuing from last year, we are excited for the new opportunities this year is affording us.

The PTA is working arduously to provide many opportunities for our little Raccoons. We enjoyed the Fun Run and wish to thank all those who so generously donated to support the PTA.

We had a fun Halloween Parade last Friday—with a few adjustments from indoor to outdoor. We enjoyed having so many of you with us.

November is a month of gratitude. I wish to thank our amazing teachers for their ongoing dedication to helping all students achieve at high levels. Recently, I asked our faculty and staff to distill why they teach down to a single word. We collected the words and created a word cloud. Words that are bigger were submitted more often. This is a fun visual representation of why our teachers teach at Riverton Elementary!

We are so grateful for your ongoing support of Riverton Elementary. We wish you a month of gratitude, peace and happiness.

Respectfully,

Mr. Pullan
